

### Terms and conditions

- This offer is limited to the musicians who attend the initial session. Time for additional musicians, (backup singers, string section, etc.) will be billed at Snow Creek Sound's going rate.
- Drummers will use Snow Creek Sound's studio drum set (5 piece Mapex Orion kit, 9 ply). Drummers should bring snare drum, cymbals, sticks and throne, The house kick pedal is a DW5000 double kick pedal.
- This offer includes initial recording, any overdubs by the original musicians, editing, mixing and mastering of the song.
- At the end of the session, musicians will receive a 24 bit 44.1Khz .wav file, a 16 bit 44.1 kHz file (cd format) and an mp3 file, all with metadata including ISRC. All appropriate rights to the song will belong to the group (if the song is a cover, royalties will be the responsibility of the musicians).
- The 16 bit file and the mp3 are compatible with BandCamp and other platforms.
- Of course, session time subject to availability.
